

Roofing Growth Desk

Free Quick Leak Scan Result Template

A short result format for a roofer who wants to know where follow-up is leaking before choosing a paid desk.

Result sections

First lane to work	Missed calls, unsold estimates, stale leads, no-shows, reviews/referrals, storm follow-up, or past customers.
Best first list to send	Phone log, estimate export, stale lead/no-show list, completed-job list, or past-customer list.
Suggested wording	Short approved follow-up language and stop rules.
Next decision	Send a list, approve a script, schedule a call, or wait until volume justifies help.
